# NO LIMITS RACING

ROUND 2 - OFFICIAL PROGRAMME E3

# OULTON PARK

14-15 AUGUST 2020

OultonPark

# WELCOME

So here we are round two just a fortnight after the season opener at Snetterton.

I hope you enjoyed it as much as us, it really was a fantastic weekend with the weather playing ball and some great racing across all the classes. I also want to thank you all for obeying the new rules we are all having to get used to.

Back to this round and again the entries are really good especially only 14 days after round one.

I do wish you all the best of luck, various best wishes to various people, especially to ADSS on lap one, you know what I mean!

Looking forwards, we are hoping to be able to announce a provisional calendar for 2021 at our September Cadwell event. However after the success of this year's winter test in February which a lot of you came to, I am pleased to announce that for 2021 we will be running another racing test on the 21st to the 24th February 2021 at Andalucia Circuit. All our normal support services will be there, so with places strictly limited don't miss out.

On with the racing and lets all have a cracking weekend.

# LAST TIME OUT!

## ROUND ONE

**No Limits Racing riders launched their season in Norfolk as the club rolled into Snetterton for its opening round of 2020.**

While British Superbike paddock regulars dominated much of the action in preparation for their first round at Donington Park, the NLR army kicked off their title challenges in style.

Part of the endurance-winning squad, Harry Truelove clinched three wins from four in the Pirelli Super Series 600 class with Phil Wakefield, Joe Talbot and James Alderson sharing the podium spoils, but it was Talbot on top in race four as he pipped Alderson by a mere 0.092sec.

Dan Roby drew first blood in the HM Quickshifter Cup 600 ranks with a dominant win over Ben Wilson, but Jamie Cornfield stopped Roby from a clean sweep as he snatched the opening win on Sunday before Roby took two more, leaving Cornfield, Wilson and Baz Dimelow to seconds and thirds. The Pre Injection wins went to Steve Topping and Stevie Robinson.

The Racebuykz.com Cup 1000 pack was dominated by reigning NG Pre Injection 1300 champ Daniel Boucher as the BMW man beat Scott McFarlane, Stuart Payne and Grant Whitfield to four wins from four while Robert Cresswell and Michael Haddoch both scored thirds.

Just behind, former Stock 1000 regular Sam Cox destroyed the Ducati Challenge field with a clean sweep

ahead of fellow TriOptions Cup riders Dijon Compton and Team Army's Richard Spencer-Fleet.

BSB rider Ryan Vickers scooped all three Pirelli Super Series 1000 wins, the first ahead of Superstock regulars Matt Truelove and Brayden Elliott before teen ace Luke Hopkins pipped Elliott for third in race two. Vickers took the third win with ease on the Lee Hardy Racing Superbike as Chrissy Rouse followed him home for second.

Last year's Standard Twins champ Matt Layt had no trouble sweeping all four Protectmyincome.com Super Twins races with plenty of time to spare as Mark Taylor, Tommy Downes and Thomas Jackson trailed him across the line for a Standard Twins one-two-three.

Downes kept Taylor from a clean sweep with a win of his own, while Martyn Siviter and Jeremy Watson shared the CB500 honours as Oliver Morgan-Edwards and Samuel Laidlow split the 400 class silverware.

Andrew Smart took the wins in the Metzeler Newcomer

600 ranks with Steven Gagg and Michael Sterrow just a few seconds behind as the rookies descended on Snetterton en masse, as usual.

In the bigger Newcomer 1000 class, Stuart Payne, Steve Thompson and Brad Mercer all notched up rookie victories while, among them, Paul Holden scored three Lind Triumph London Cup wins to Byron Beckett's one.

*While British Superbike paddock regulars dominated much of the action in preparation for their first round at Donington Park, the NLR army kicked off their title challenges in style*

NO LIMITS

## LAST TIME OUT - SNETTERTON

Matt and Harry Truelove scored the first No Limits Endurance victory of 2020 after a three-hour battle.

The brothers crossed the line second as part of the Fast Past Pits squad, but the original winning RAF Regular and Reserves Kawasaki team of Ryan Vickers and Paul Jordan, who took the flag some 1.5sec in front, was swiftly disqualified for not having a homologated fuel tank.

It looked to be a procession of dominance for Lee Hardy's crew at their local track as Jordan and Vickers scorched to pole by nearly two seconds as DC Racing's Mike Norbury, alongside Dom Herbertson and Chrissy Rouse, qualified second ahead of the Trueloves.

But it was a tight scrap when the lights went out as the top three dived for the lead, with DC Racing and the Trueloves trading places while Dales Sports' Richard Steadman and Tim Neave made inroads behind.

By the end of the first hour, Fast Past Pits was a full 45sec clear of DC Racing with On It Racing's Andrew Stockdale, Luke Scott and David Hall holding off M&M Performance boys Mark Bridger and Max Morgan just a few seconds back.

JR Performance duo Joe Talbot and Dan Brooks led the National 600 order from GBmoto Endurance, while Crash It Racing topped the Clubman 1000 order.

Some 30 laps later, it was still Fast Past Pits in the lead while the RAF boys sat second ahead of M&M and RTS Racing, but it was all coming to a head as the final hour rolled around.

British Superbike rider Vickers went out for the last stint with a tall order on

his hands and 55sec to make up for a victory on home turf.

And the local ace only just looked to have done it with a slim margin of victory when the chequered flag flew, but with the team's non-standard tank fitted, the spoils went to the Trueloves.

A lap behind, DC Racing and M&M Performance took the podium honours in second and third as Delkevic and On It Racing rounded out the top five a lap further back.

JR Performance scored the National 600 win in sixth overall ahead of Max Smith-Halvorsen, Elliot Lodge and David Shoubbridge of GBmoto, as Synergy Racing's Charlie Atkins and Sam Johnson took third.

First of the Clubman 1000 teams was Crash It, a lap ahead of runner-up CT Racing and two laps clear of the BellnDs – Paul Henderson, Sean Kenyon and Neil Wallis.

Karl Freeth and Jonny Panter of Datasys 2 crossed the line first in class among the Clubman 600 squads, leaving SMS' Charlie and Michael Stone to second ahead of Datasys' Mark Daines, Jeremy Watson and Daniel Williams.

## CONDITIONS OF ADMISSION

### Acknowledgements

No Limits acknowledge with sincere thanks the assistance of the following this year:  
The Auto Cycle Union  
The Circuit Owners  
The Medical staff  
The Sponsors - The Marshals - The Riders and numerous other volunteers involved in running the meeting this weekend.

### Warning

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the vehicles, are absolved from all liability arising from accidents, howsoever caused, resulting in damage and/or personal injury to spectators, pass and ticket holders, or to their goods and vehicles.

### Assistance

In the event of a member of the public requiring assistance (medical or otherwise), they should in the first instance contact the nearest official, marshal or gate/security steward who shall take the appropriate action.

### Enquiries

All enquiries relating to property, children, lost or found, theft from cars, emergency messages and any other serious problems, should be directed to the circuit office.

### Paddock

Riders are responsible for the actions of all persons who accompany them to the circuit. Access to the paddock is available for those who would like a closer look at the competing bikes and riders. There is a blanket speed limit of 20mph on the circuit, other than that used for racing purposes. The use of generators in the paddock and campsite is to be restricted to between 7.00am and 11.00pm.

### Programme & Copyright

The promoters reserve the right to amend or cancel the meeting without prior notice or refund. All literary matter in this programme, including the list of competitors and their racing numbers, is copyright and any person found making illegal use thereof will be prosecuted. Although every effort is made to avoid inaccuracies, the club accepts no responsibility for any errors that may occur. It is a condition of admission to these premises that photography, cine-film, video, sound or any other visual or audio use, including recording or reproduction to be seen or heard in public, in whole or in part is strictly forbidden, except for the sole purpose of private viewing.

### Spectator Notices

Please do not leave litter about the grounds - use the litterbins provided or take it with you. Remember to ride/drive with care and caution when leaving the circuit.

To safeguard both competitors and public **ANIMALS ARE NOT PERMITTED.**

### Car Parking

Vehicles are taken into the car parks and public spectator areas on the condition that neither MSVR, The ACU, nor the circuit owners shall be liable in any way for loss or damage to the vehicle. Or to any part thereof, of to anything left in or about the vehicle. In whatever way or by whatever means such as the loss or damage may be caused.

### Prohibited Area Notices

The public are not admitted to areas where these notices are displayed. The fences are there for protection and any person caught trespassing or wilfully damaging trees, fences etc., will be prosecuted by the promoters

### Promoters

This meeting is promoted by No Limits Trackdays Ltd,  
Unit 1-4 Black Horse Barns,  
Fancott, Toddington LU5 6HT.

**HM Quickshifter – The Leading Manufacturer & Supplier of Quickshifters for Motorcycle**

**NLR MEMBERS GET 20% DISCOUNT OFF HM PRODUCTS**

HM Quickshifter offer the most advanced quickshifter systems available on the market. Using the latest technology available they produce their quickshifters to ensure the highest of quality and long life. More importantly, the design is based on listening to clients and using their feedback to improve their products continually.

Their quickshifters are easy to use: it's a plug and play system ready to be used out of the box. All it takes is this mechanism and a mere click of the foot when a rider is going full throttle to change the gears, without ever interrupting acceleration.

## GREAT SAVINGS CONTINUE WITH NO LIMITS RACE SUPPORT!

The one thing we are pleased to say COVID19 hasn't affected here at No Limits, is our dedication and ability to bring our race club members the best products at the very best prices. Hopefully you will know by now that everything we offer on our website [www.nolimitstyres.com](http://www.nolimitstyres.com) is available to all race members with discount applied. From Pirelli Superbike Slicks to lever guards – both of which are used at WSBK - we have what you need to keep you on track!

With new and exciting products online to choose from, it's almost impossible to list off all the benefits you get with being an NLR member... but basically... if you see something on our website, which is being updated with new products all the time, you will get some form of supported price. If you cannot find a code listed in the programme or on any of the emails you are sent from us, just call or email into James and he will provide you with your NLR discount code specific to what you would like to order.

GB Racing make without doubt the nicest looking and best crash protection for your bike. With over 15 years experience of what your bike needs, why look elsewhere? GB Racing is chosen by factory teams around the world to protect their machines for a good reason – it works! Their new lever guard has been designed with several WSBK teams to be effective, cost effective, stylish and, with a replacement blade available, it doesn't cost much to replace if you are unlucky enough to damage one. They are always thinking about the customers needs and how to keep you on track.

Pre ordering tyres for your race event is something so many of you are used to doing already, but the online pre order process has never been so crucial if you want to save money! Your **VERY BEST DISCOUNT** on your tyre order comes by ordering online. visit [www.nolimitstyres.com](http://www.nolimitstyres.com) and enter the discount code relevant to your event at checkout.

**The code for Round 3 is NLR-RND-3**

Outside of BSB, we are Pirelli and Metzeler's biggest UK race vendor. Buy with confidence and at your special NLR member pricing.

**PIRELLI**

**METZELER**

World-leading quickshifter technology. Back up in the paddock and discounts available on the complete range

**METZELER**

**STOP PRESS – NEW IN!**

The latest slick tyre from Metzeler has landed! The TD slick is a replacement to the Compk, with new improvements in grip level, feel and agility. The rear tyre is also Two Directional (TD), so you are now able to flip the tyre and use both sides to get the most from the tyre. **Starting at just £250 a PAIR!**
