JONATHAN PALMER

CHIEF EXECUTIVE, MOTORSPORT VISION

We're tremendously excited about the 2019 motorsport season, with major events on two, four, and even six wheels to look forward to across our five race circuits. We've secured a full calendar of top-class events at Brands Hatch, Donington Park, Oulton Park, Snetterton, and Cadwell Park, and this fixture guide outlines the key dates to look forward to so you can begin planning your circuit visits for the year.

We're hosting eight rounds of a revamped Bennetts British Superbike Championship calendar, featuring its most intriguing rider line-up for years, plus five rounds of the British Touring Car Championship. Other national highlights will include rounds of the British GT Championship and British Truck Racing. On top of all that, American SpeedFest will return for its seventh edition at Brands Hatch in June. Our NASCAR-headlined family day out has grown enormously since its 2013 debut and is now firmly established as one of the key fixtures of the calendar.

All of our circuits will host major historic and vintage events – on both two and four wheels – throughout the year too, along with a number of family-friendly

festivals and a busy selection of club meetings. Plus international events such as DTM, Blancpain GT World Challenge Europe and the rejuvenated World Superbikes at Donington Park.

We've been working hard over the winter to make upgrades at all our venues, but in particular Donington Park, which will feature a new main entrance amongst a range of detail improvements for its second full year under MSV control. This follows on from our changes prior to the start of the 2018 season, which included our new Garage 39 restaurant, already established as the best of any race circuit in the country. If you haven't been back to Donington to see the changes we've made so far, you really should make the effort this year!

It's not our aim at MSV to just get you trackside, but also behind the wheel too. We offer a huge range of products which allow our customers to experience the on-track rush first hand as well. You can find details further on in this guide.

I'm sure that 2019 will bring us lots of drama, excitement, and a few surprises too, and I'm looking forward to seeing many of you at our circuits along the way!

KWIK FIT BRITISH TOURING CAR CHAMPIONSHIP

5 ROUNDS AT MSV CIRCUITS

The thrill-a-minute Kwik Fit British Touring Car Championship returns to MSV's circuits in 2019 for five weekends of blockbuster saloon car action. The UK's most entertaining car racing championship will steamroller through Brands Hatch, Donington Park, Oulton Park and Snetterton this year.

A major reason for the BTCC's popularity is its unpredictability and, based on last season, the championship is currently more difficult to forecast than ever. Seventeen different drivers won races last year, and with another full grid of evenly matched tin-tops raring to go this season, we expect more of the same.

The grid is packed with big name drivers, including reigning champion Colin Turkington, plus Andrew Jordan, Matt Neal and Tom Chilton. The BTCC's future looks bright too, with a talented

younger generation, spearheaded by 2017 champion Ashley Sutton and last season's runner-up Tom Ingram, who becomes Toyota's first works BTCC driver since 1995.

Brands Hatch will open proceedings for 2019 with action in the gladiatorial setting of the Indy circuit's natural amphitheatre, before visits to Donington Park, Oulton Park, and Snetterton. The championship will climax on the legendary full Grand Prix circuit at Brands Hatch, and past experience tells us that the title fight will likely go down to the wire.

Each BTCC event features three headline races, plus a full support programme including the Porsche Carrera Cup, Renault UK Clio Cup, Ginetta GT4 Supercup, Ginetta Juniors, and British F4.

BENNETTS BRITISH SUPERBIKE CHAMPIONSHIP

8 ROUNDS AT MSV CIRCUITS

Bennetts BSB will bring the finest motorcycle racers in the land to all five of MSV's venues across eight separate events this season. This is the world's leading domestic motorcycle racing series, and it's set to be as strong as ever this year with a refreshed line-up and calendar.

This year's all-star entry includes the Be Wiser Ducati duo of MotoGP convert Scott Redding, and 2014 Bennetts BSB champion Josh Brookes. This is one of the most exciting team pairings the championship has ever seen and it will be fascinating to see which of these two larger-than-life characters emerges on top.

Other big-name racers set to appear include Smiths Racing BMW's pairing of TT winner Peter Hickman and

James Ellison, plus last year's breakout 'Showdown' contender Bradley Ray, once again with Buildbase Suzuki and Tarran MacKenzie.

The BSB calendar has been altered slightly for this year, with the biggest change being the addition of a second meeting at Donington Park, which now hosts an event on the Late May Bank Holiday, as well as the Championship-deciding 'Showdown'. The May event will be a triple-header, as will the September visit to Oulton Park, and the season-closer on the Brands Hatch Grand Prix circuit.

The championship will also visit Cadwell Park and Snetterton, and each fixture will feature a full support programme which includes the British Supersport Championship, and no fewer than two Bennetts BSB races.

DTM

BRANDS HATCH GP - SAT 10/SUN 11 AUGUST

The world's most jaw-dropping tin-top racing cars will be back on the full Brands Hatch Grand Prix circuit this summer, following a successful return to Kent last year. DTM is faster and more technically advanced than any other touring car series on the planet, and every car on the grid is driven by a bona fide international superstar. There's nothing else like it!

The cars are bespoke racing machines based on the shape of production models by German marques BMW and Audi, plus British favourite Aston Martin, whose fledgling DTM programme is expected to commence before the series arrives at Brands Hatch.

The level of innovation, manufacturer involvement, and the pool of driving talent that DTM possesses is unparalleled outside the realm of F1 – it's a genuine showpiece international event.

This year's DTM driver line-up includes former Grand Prix drivers like Timo Glock, and Le Mans winners including Loic Duval and Mike Rockenfeller, whilst the British effort is spearheaded by Jamie Green, who regularly beat Lewis Hamilton in F3 before switching to saloon car racing.

The DTM event will feature world-class racing on both days with a headline race on Saturday and Sunday, plus entertaining support races. That means you've got not just one, but two, opportunities to see the championship's latest breed of muscular, turbocharged monsters in race action across the weekend.

With genuine star drivers, mouth-watering cars that have to be seen to be believed, and the distinct allure that only major global events carry, this is a great chance to enjoy top-drawer action, for a very reasonable price.

FIM SUPERBIKE WORLD CHAMPIONSHIP

DONINGTON PARK GP - FRI 5 - SUN 7 JULY

Superbike superstars will descend on Donington Park this summer for the only UK round of the Motul FIM World Superbike Championship.

This championship once propelled Carl Fogarty into the public consciousness, and it continues to possess an enormously strong ‘Brit Pack’, headed by four-time reigning champion Jonathan Rea. The Kawasaki man is joined in his team by reigning Bennetts British Superbike Champion and local favourite Leon Haslam this season.

In addition to Kawasaki’s all-British ‘champion of champions’ dream team, there are countless other home-grown talents to cheer on, including Tom Sykes, who has won nine races at Donington Park in the

past six years. Chas Davies will be hoping it’s his year, after finishing as runner-up in three of the past four seasons, whilst Alex Lowes will be aiming to build upon his maiden race win in 2018.

Leon Camier is the final Briton to look out for, and he’ll be onboard a factory Honda machine, pairing up with three-time Bennetts BSB champion Ryuichi Kiyonari in another tantalising pairing.

The championship has unveiled an all-new race format this season which will transform the Donington Park meeting into a triple-header for the first time, with one race on Saturday before an additional two on Sunday.

The meeting has also transferred to a prime height-of-summer date – it should be a real scorcher!

AMERICAN SPEEDFEST 7

BRANDS HATCH - SAT 1/SUN 2 JUNE

YEE-HAW! Brands Hatch heads back to the Wild West with American SpeedFest 7 this summer, a two-day celebration of supercharged Americana on and off the famous circuit. SpeedFest is loud, fun, and has something for everyone – it's the definitive family day out!

Brands Hatch will become the unofficial 51st state of the US of A this 1/2 June as it channels the spirit of Daytona Beach with NASCAR, American motors, great food and all of the fanfare we've come to associate with the stars and stripes.

Racing is headlined by the NASCAR Whelen Euro Series, the only officially-sanctioned series this side of the Atlantic. With rumbling V8 engines and lots of contact, this championship is the real deal. Star drivers in recent seasons have included Texan NASCAR champion Bobby Labonte, whilst '97 F1 World Champion Jacques Villeneuve is buckling up for action this year.

Sunday's NASCAR race will receive the full American treatment, with a pre-race ceremony featuring driver introductions, cheerleaders, and much more before crowds are treated to a spine-tingling rendition of the Star Spangled Banner. This theme will continue long after the race, as fans are invited to join the celebrations at Victory Lane.

The main NASCAR races have been extended for 2019, ensuring you get more panel-to-panel bangs for your buck, and there is more US-based support content than ever before, with both the Pickup Trucks and UK Legends on the same SpeedFest line-up for the first time!

It's off track that SpeedFest truly earns its (stars and) stripes, with a massive off-track show comprising more than 1000 American display vehicles and a wide-ranging selection of themed attractions for race fans young and old. It's going to be HUGE!

BRITISH GT AND BRDC BRITISH F3 CHAMPIONSHIPS

5 ROUNDS AT MSV CIRCUITS

If you fancy seeing top-class action from both supercars and single-seaters at MSV circuits in 2019, then perhaps the British GT and BRDC British F3 Championship package is the one for you.

These are the leading series of their respective kinds in the UK, and each will visit Oulton Park, Snetterton, Brands Hatch, and Donington Park this year.

British GT represents the top level of sports-endurance racing in the country, as a multi-class grid of race-prepared performance models from manufacturers such as Lamborghini, Porsche, McLaren and more take to the track. Exciting new additions to this year's grid include the latest Aston Martin Vantage, Bentley Continental, and Ford Mustang.

British GT grids are typically packed to bursting, with more than 30 cars, and

the races offer up plenty of intrigue with pit stops, driver changes, and plenty of other factors at play. Races are upwards of an hour in length, allowing for plenty of strategic battles.

BRDC British Formula 3 races are something more of a sprint, and there will be three of them per weekend, including a frenetic reverse grid race two, in which the winner of the opening race will have to fight through from the back.

Previous winners of British F3 include Ayrton Senna, whilst last year's grid included high-profile amputee sensation Billy Monger.

The main two championships will be accompanied on each race weekend with a fine support race programme, featuring a mix of tin-top, sports car, and grassroots action.

BRITISH TRUCK RACING

4 ROUNDS AT MSV CIRCUITS

The big bang is coming to MSV's circuits in more ways than one in 2019, with multiple British Truck Racing events throughout the year culminating in the annual Trucks and Fireworks Guy Fawkes spectacular at Brands Hatch in early November.

The boom or bust nature of British Truck Racing makes it hugely entertaining, not just for established petrolheads, but also newcomers to the sport looking for a bit of novelty. The machinery on show weighs in at five tonnes, typically unleashes 1000bhp, and is capable of accelerating from 0-60mph as fast as a Porsche 911.

Truck racing really needs to be seen to be believed, and there are plenty of chances to see them in action at MSV venues this year. Before things reach boiling point at Brands Hatch at the

end of the year, sparks will fly when the season kicks off at the Kent circuit in April.

The championship will also make its annual visit to the twisting Snetterton 300 circuit, as well as to Donington Park for Convoy in the Park (see overleaf).

The November showpiece will transform Brands Hatch into a family carnival, with funfair rides, off-track entertainment, and huge show truck displays – these trucks will even take to the circuit for a twilight convoy ahead of the mega fireworks.

Each event will feature fun away from the racing that has been tailored to entertain both children and the young of heart, and the support races will be colourful and fun-filled too – the programme typically includes Pickup Truck Racing and the UK Legends Championship.

CONVOY IN THE PARK

A CELEBRATION OF TRUCKS AT DONINGTON PARK
SAT 10/SUN 11 AUGUST

Convoy in the Park at Donington is now established as the UK's biggest and best celebration of all things trucking. From a bombastic on-track programme headlined by British Truck Racing, to a huge entertainment line-up, there is simply loads to see and do.

What sets Convoy apart from other events is the sheer quantity of off-track truck mania. There are massive show truck displays, and all of the leading truck manufacturers with a UK presence are represented at the event.

Hundreds of truckies will descend upon the venue for the weekend, creating an HGV village throughout the venue's infield, with added

atmosphere coming from a wealth of other attractions including stunt shows, funfair rides, and live music.

Racing is headlined by the all-action British Truck Racing Association Championship, which features five-tonne, 1,000-horsepower goliaths going wheel-to-wheel in several races, while a busy support race package ensures there's wall-to-wall action on circuit.

The event runs with support from Truck and Driver magazine. Visit www.convoyinthepark.com for more information about the 2019 event.

BLANCPAIN GT WORLD CHALLENGE EUROPE

BRANDS HATCH GP - SAT 4/SUN 5 MAY

Brands Hatch is set for a weekend of glamour this May with the Blancpain GT World Challenge Europe, the continent's leading international supercar racing championship.

Blancpain GT is home to some of the planet's most exotic racing cars, including high-end machinery from manufacturers such as Audi, Bentley, Ferrari, and Lamborghini. These machines are incredible to behold, and sound the part too – you really need to see them driven in anger on the full Grand Prix circuit.

The entry lists are typically exceptionally high in quality, with numerous drivers boasting F1 and

Le Mans pedigree. Recent entries include former Grand Prix stars Will Stevens and Markus Winkelhock.

The main raceday will include two showpiece Blancpain GT World Challenge Europe races, with a packed grid of supercars battling it out for honours on track. Pit stops and driver changes will add to the intrigue as a range of strategies unfold.

This event will benefit from a top-notch support programme too, including extra supercar action from the GT4 European Series Northern Cup and Porsche Club Championship, plus supercar and rare hypercar displays.

FESTIVAL ITALIA

BRANDS HATCH - SUNDAY 18 AUGUST

Italy will be celebrated with a thrilling concoction of motor racing, car and bike displays, themed cuisine, and much more when Festival Italia returns to Brands Hatch this summer. Italian motoring has emotion and passion in spades, and we'll be bringing much of that to Kent for one special day.

Ferrari, Lamborghini, Alfa Romeo, Maserati and Fiat are just some of the iconic manufacturers to have spawned from the Mediterranean nation, and all of them will be represented at Festival Italia through a scintillating mix of on and off-track automotive delights.

This will include a race programme headlined by the Pirelli Ferrari Formula Classic series for gorgeous racing machines from the '70s, '80s, and '90s, all emblazoned with the iconic 'prancing horse' badge. The rest of the race programme is themed too, with one-make Alfa Romeo racing, and

sprint races in which Italian cars will take on the best offerings from the rest of the world.

Italy's Grand Prix heritage will be commemorated too, with demonstration runs from historic F1 cars. This event featured one of the Kent circuit's biggest-ever F1 demos last year, and the aim is to build on that for the 2019 event.

Much like its spiritual sister event American SpeedFest, Festival Italia is so much more than a regular race meeting, with simply loads to see and do off the track. From car and motorcycle displays, to live Italian music there's always a packed programme.

The event is fully interactive, with a free-of-charge grid walk, and podium celebrations in the spectator area at 'Piazza Vittoria'. There will be activities for the little ones as well, such as pizza making, whilst Italian car owners will compete for best in show awards.

MASTERS HISTORIC FESTIVAL

BRANDS HATCH GP - SAT 25/SUN 26 MAY

Strap yourself into our virtual time machine and take a waltz down memory lane at the Masters Historic Festival on the fabled full Grand Prix circuit at Brands Hatch. This majestic offering will include everything from historic F1 cars to sports cars and tin-tops from the past.

Retro revelry will be headlined by the FIA Masters Historic F1 Championship, featuring the classic sound of F1 as normally-aspirated machines from the '70s and '80s take to the track. You can expect to see a stunning selection of single-seater racing cars on the grid, including machines from Williams, Brabham, McLaren, and Lotus, all resplendent in their iconic period liveries.

The F1 showpiece will hark back to a time when the Kent circuit frequently hosted British and European Grands Prix, but it's not solely the venue's F1 heritage that will be explored – there will be much more too.

Other on-track highlights will include the FIA Masters Historic Sports Cars, adding a real flavour of Le Mans to the menu with classically-modelled sports-racing cars, whilst the Pre-66 Touring Cars will throw back to an exciting era of British Touring Car racing in which nimble British Minis took on the might of powerful American muscle.

Beautiful GT cars of the '60s and '70s will be in action too, whilst the Historic Sports Car Club will add to the programme with its well-supported Historic Formula 2 Championship. Brands Hatch's longer, woodland layout is the ideal setting for all of the cars in action as it is a real throwback, a time capsule in its own right – having changed little since these cars raced here in period.

On top of all that, a range of classic car clubs intend to descend upon the venue for the Sunday, creating a relaxed feeling from yesteryear.

THE OULTON PARK HISTORIC GOLD CUP

OULTON PARK - SAT 24 - MON 26 AUGUST

It wouldn't be a proper August Bank Holiday without the Oulton Park Gold Cup, so we're delighted that the Cheshire circuit's signature event is back for three more days of nostalgic motor racing this year.

The eponymous Gold Cup has a fascinating history, with previous winners of the main prize including Stirling Moss, Jim Clark, and Jackie Stewart during its period as an F1 race. The event subsequently evolved into a contest for powerful F5000 single-seaters, and it's a 50th anniversary celebration of this formula which will headline this year's event.

The race card will be topped by the XL Aurora Series, which will star a number of F5000 machines as well as F2 cars and other powerful single-seaters, and hark back to the Gold Cup's fondly-remembered early-'70s period.

Other racing highlights will include the Dunlop Saloon Car Challenge, which stars machinery from the British Touring Car Championship's '90s Super Touring era, whilst older touring cars are sure to please the crowds with plenty of kerb hopping and oversteer.

The event will also include a full line-up of club-level historic racing, with GTs, road sports, and other single-seaters all appearing.

Away from the on-track show, the retro flavour will extend to the circuit's picturesque infield, with countless classic cars lining its rolling green slopes. There will be much more too, including the Cheshire Concours D'Esprit competition, rallying demonstrations, and period music. There will even be a drive-in cinema screening to look forward to on the Sunday evening!

DONINGTON HISTORIC FESTIVAL

DONINGTON PARK - FRI 3 - SUN 5 MAY

Donington Park's major retro weekend is back for more in 2019, when a wealth of classic cars take to the National circuit for the Donington Historic Festival. This is the ninth successive year for the event, which has established itself rapidly as one of the UK's biggest and best historic motor racing occasions.

As ever, the festival will showcase some of the rarest and most iconic cars, with incredible racing action from machines that date as far back as the legendary Donington pre-war Grands Prix of the 1930s. Donington's storied history makes it the ideal venue at which to waltz back in time to that period.

Single-seaters, Le Mans prototypes, and saloon cars will all be in action

too, with a wide range of eras covered, right through from the 1920s to more recent history.

The all-access paddock will ensure spectators can get right up close to some of the most valuable racing machines still around, while massive car club displays on the infield adds further to the atmosphere.

Fully-themed trade stands also complement the event with a huge variety of memorabilia on offer, and sit alongside the world-class racing from not just famous cars, but numerous famous drivers too. Plus there will be stunning demo runs on Saturday and Sunday by close-to-contemporary Formula One cars.

VINTAGE MOTORSPORT FESTIVALS

EVENTS AT 5 MSV CIRCUITS

We're set for a vintage year at all of MSV's circuits in 2019, with a compendium of motor racing history heading our way, courtesy of a four-strong line-up of Vintage Motorsport Festivals, plus a 6 hour endurance race at Snetterton.

The Vintage Sports-Car Club's (VSCC) traditional fixtures at Oulton Park, Donington Park, Cadwell Park and Snetterton all return, and the organisation makes a welcome return to Brands Hatch too for a special 85th anniversary meeting on the Indy circuit in August.

Headlined by the VSCC's Formula Vintage race classes, each event is a fascinating occasion as machinery from the sport's earliest years takes to the track. Indeed, many of the machines you'll see at these events pre-date features such as roll

cages, and the cars still run in that specification today – VSCC meetings offer an authentic glimpse at motor racing's bygone bravado.

Many of the machines you see in action have an interesting racing history with outings at the Le Mans 24 Hours and Mille Miglia. Unlike modern race cars, many of these machines compete without seatbelts or other modern safety features too – it's a real throwback.

Each meeting will feature its own unique race line-up, with signature trophy races, so it's certainly worth visiting more than one.

Off track the events will feature a spread of suitably vintage-themed entertainment including classic and vintage car displays.

DEUTSCHE FEST

BRANDS HATCH - SUNDAY 7 JULY

If you prefer motoring with a Teutonic twist, then Deutsche Fest may well be the event for you, with German-themed racing, entertainment and – of course – a beer garden!

Deutsche Fest is one of MSV’s signature car shows and thus much more than a mere race meeting, with much of the activity and excitement to be found in the off-track areas. Foremost amongst this will be the German car display, which will feature BMWs, Audis, Mercedes and more – the best presented of these will even be in with a shout of claiming a Das Auto award.

Other highlights will include themed food and drink, not least a German beer garden, complete

with oompah music and steins of delicious lager.

There will of course be loads to see on the track too, including a Volkswagen, BMW and Porsche-infused racing line-up, with plenty of tin-top thrills and spills.

The race action will be accompanied by significant car demonstrations and parades, with German car owners being able to get out on track and sample the Indy circuit themselves in a parade lap.

This event will also include free grid walks, and other interactive activities for individuals of all ages.

FORD POWER LIVE

BRANDS HATCH - SUNDAY 8 SEPTEMBER

The third edition of one of the UK's biggest Ford celebrations comes to Brands Hatch this September, promising an eclectic mix of blue oval machines with much to see and do both on and off track. Ford Power Live moves to the Kent venue after two successful years at its sister circuit Snetterton.

The one-day festival pays tribute to one of the most established car manufacturers of all time with a company history spanning over 100 years meaning you can be guaranteed to find the most diverse range of vehicles at the show.

This year's event is set to feature lots of pulse-raising on-track action, from historic Formula One demos filling the venue with the sounds of iconic engines to wheel-to-wheel race action.

EnduroKA, the newest and most affordable way to go endurance racing, will entertain the crowds with four separate sprint races. Champion of Brands will provide open-wheeled Formula Ford 1600 action too, and there will also be public track sessions, and performance tests.

This year's spectacle will include a wealth of off-track elements, including a huge car display featuring hundreds of machines from the iconic marque. Spectators can expect to see everything from classic Ford Escorts to the much-loved Ford Mustang, and everything in between!

There will also be show and shine awards, trade areas, kids entertainment and much more!

MINI FESTIVAL

BRANDS HATCH - SAT 20/SUN 21 JULY

The popular Mini Festival returns to Brands Hatch this summer for two days of non-stop, pocket-sized racing action.

This year's festival will celebrate the 60th anniversary of the original Issigonis Mini design, and everything that has spawned from that initial icon. The classic Mini remains as popular as ever, six decades on, and you can expect to see the venue filled with a great many of them for this special summer occasion.

Newer BMW models will headline the racing line-up in the MINI CHALLENGE championship, which offers some of the fastest and most furious tin-top racing you'll find in this country outside the British

Touring Car Championship. There will be lots of retro Mini action too though, so expect plenty of close slipstreaming action from these diminutive dynamos.

Mini owners are extremely knowledgeable and passionate, and the car displays will be abuzz with enthusiastic chatter. It's always worth having a browse to see who you meet and swap a few stories too.

Other event highlights will include a screening of the original Italian Job film, Mini Awards, and live music. We're even offering kids the chance to sample a spot of MINI driving with YoungDrive!

MODIFIED CAR SHOWS

4 EVENTS AT MSV CIRCUITS

Extensive styling and tuned engines are the name of the game at our range of modified car shows this year as some of the most unique head-turning vehicles gather at our circuits with hair-raising action on and off the track.

This year's show calendar kicks off with Modified Live at Cadwell Park in May, led by the opening round of the 2019 MSA Time Attack Championship – which headlines each of our modified event this year.

Time Attack brings a varied and exciting mix of machinery to our circuits sporting big aerodynamic body kits and high-horsepower engines, as they bid to see who can set the quickest lap of the track in a battle against the clock.

The other major tuning events at our circuits will include Tunerfest South at

Brands Hatch, Tunerfest North at Oulton Park and the stand-alone Time Attack and Fireworks event at Snetterton to close the year.

High-speed on-track demonstrations are a staple feature of the shows with Formula One cars, superbikes and single-seaters making regular appearances. For those of you who enjoy seeing cars in a state of oversteer there are plenty of drifting demonstrations and spectacular stunt shows too!

There are lots of opportunities to show your pride and joy with some of the biggest and best car displays featuring show and shine awards for the best examples, or take to the track for some high-speed thrills with public track sessions. Visitors can experience the rush of a variety of passenger rides with frequent drift and rally passenger laps on offer.

STAGE RALLIES

7 EVENTS AT MSV CIRCUITS

There's more than just racing to look forward to at MSV circuits this year – we're also hosting stage rallies across the venues at Brands Hatch, Donington Park, Oulton Park, Snetterton, and Cadwell Park, including rounds of the hugely popular Motorsport News Circuit Rally Championship in association with MSVR.

These events offer up a unique opportunity to witness cars tackling unconventional circuit layouts, plus sections of venue infield roads as part of a series of totally bespoke rally stages. Highlights of the stages will include cars taking on sections of the circuits in reverse direction, action into the dusk, and fun challenges such as water splashes and jumps.

Stage rallies typically attract vast and eclectic entries featuring everything from retro rally rollickers to modern World Rally Championship specials and a tour-de-force of traction technology. These will include rally icons such as the Ford Escort, Subaru Impreza, and Mitsubishi Evo.

The two major highlights of our rally calendar will be the firework events at Oulton Park and Cadwell Park as the season draws to a close. Both will be family-friendly events with lots of off-track entertainment, building up to the evening excitement of a bonfire display and November fireworks spectacular.

CLUB CAR AND BIKE RACING

GREAT VALUE RACING FROM JUST £12

Brands Hatch, Donington Park, Oulton Park, Snetterton and Cadwell Park will host club-level race events throughout the year between March and November, offering an exciting mixture of motor racing styles on both two and four wheels.

Many of our club events are iconic fixtures in their own right, including the Formula Ford Festival at Brands Hatch in October, whilst others are well kept secrets, with super-competitive action for a very fair price. Many of the organising clubs, including our very own in-house MSVR division, have developed a reputation for fantastic events with packed timetables.

Club car events can feature huge diversity, with everything from F1-inspired single-seaters to hot hatches, saloons, sports cars, and Le Mans-style prototype racers. Plus, there are many

events starring cars from yesteryear – and this extends to motor cycle racing too with classic bike racing hugely popular with competitors.

Motorcycle meetings often have an enormous selection of races with short sprint races coming thick and fast throughout the event. Many of these meetings even include outings for spectacular three-wheeled, two-man sidecars. If you love motorbikes, then make sure you visit Cadwell Park for a spot of two-wheeled action this season.

Club racing is a key part of the sport in the UK, offering both a proving ground for young chargers aiming for the top, as well as gentleman drivers seeking an adrenaline fix.

Best of all, club racing is an extremely cost-effective way to enjoy motor racing, with admission prices starting at just £12 for a full day, and under 13s always go free.

t @MSVRacing
i @MSVR_Official

Founded in 2006, **MotorSport Vision Racing** has grown into one of the UK's leading race organisers, running many of the country's best racing championships and series as well as a host of major events.

MSVR administers more than 20 car championships and series, including BRDC British F3, the UK's leading single-seater championship. Its varied portfolio includes series for saloons and sports cars too, while in recent years MSVR has added sprinting for novice competitors and rallying, with the Motorsport News Circuit Rally Championship.

In addition to overseeing race series and championships, MSVR is a renowned event organiser. The club runs many rounds of the British GT and F3 Championships as well as

events such as American SpeedFest, Festival Italia, Deutsche Fest and the Mini Festival. On the international scene, MSVR runs the UK rounds of the Blancpain GT Series and the DTM, and previously ran the two FIA Formula E London ePrix events at Battersea Park in 2015 and 2016. Chris Evans' CarFest North and South festivals (in aid of BBC Children in Need) add a different flavour, with MSVR overseeing the track activity.

MSVR's two-wheeled division is also responsible for running the UK rounds of MotoGP and World Superbikes, as well as being the promoter and organiser of the Bennetts British Superbike Championship, the UK's biggest motorsport series.

BRDC BRITISH F3 CHAMPIONSHIP

THE UK'S LEADING SINGLE-SEATER CATEGORY

The BRDC British F3 Championship, operated by MSV, is Britain's top single-seater series, and the perfect stepping-stone from F4 level championships.

This is where aspiring F1 stars of the future do battle against a multi-national field featuring some of the world's top up and coming talent, with 24 races across some of Britain's, and in the case of Belgium's Spa-Francorchamps, the world's most revered circuits.

An impressive alumni list have already used the series as a springboard to further success; 2016 champion Matheus Leist now races in Indycar, while his rival from that year, Lando Norris, makes his F1 race debut this season with McLaren. Swedish driver Linus Lundqvist took the honours in style last season, and also won a prize drive at the Rolex 24 Hours at Daytona in January, courtesy of series partner Sunoco.

Billy Monger also used the series for his comeback campaign in 2018, to huge worldwide acclaim, ensuring British F3 has never been more prominent in the public eye.

This year's line-up, looking to emulate names including Ayrton Senna, Mika Hakkinen and Daniel Ricciardo, will again take on the challenge of the Tatuus-Cosworth car, a hugely respected combination that since 2016 has provided exceptional performance, value for money, equality and reliability. The car has proved the ideal machine for young racers, with a mixture of aerodynamics, straight-line speed and power.

Don't miss the chance to see these young hopefuls in action, with fast and ferocious racing in equally matched single-seaters, with five rounds at MSV circuits in 2019.

TAKE YOUR OWN VEHICLE ON TRACK WITH A MOTORSPORT VISION TRACKDAY

Anyone can put their own vehicle through its paces with MSV Trackdays, the in-house trackday arm of MotorSport Vision. We can give you the opportunity to drive or ride some of the most spectacular circuits in the UK: Brands Hatch, Donington Park, Oulton Park, Cadwell Park, Snetterton and Bedford Autodrome.

Friends and family are welcome free of charge to spectate at most events and passengers and additional drivers are welcome on car events.

DONINGTON PARK

EAST MIDLANDS

 /DoningtonParkRacing

 @DoningtonParkUK

 @DoningtonPark

Donington Park is the heart of British motor racing and one of the continent's classic venues, dating back to the 1930s. From the Silver Arrows to Ayrton Senna and Valentino Rossi, Donington has seen it all, and fully entered the MSV fold just last year.

The venue has undergone numerous redevelopments over the past two years under MSV control, including the stunning Garage 39. Whilst a revamped main entrance will open this year.

The East Midlands venue will host major events on two, four and six wheels this year, including rounds of the World and British Superbike Championships, the British Touring Car Championship, and British Truck Racing.

OULTON PARK

CHESHIRE

 /OultonPark

 @Oulton_Park

 @OultonParkOfficial

Within Oulton Park's picturesque parkland setting lies one of the most rewarding driving challenges in the country. It's also one of the best places in the UK to enjoy watching motor racing.

Oulton Park's season includes many highlights, ranging from rounds of the British Superbike Championship and British Touring Car Championship, to the British GT and BRDC British F3 Championships on Easter Weekend.

The calendar also features the venue's signature event, the Oulton Park Gold Cup meeting on Bank Holiday weekend in August, plus countless other club fixtures on two and four wheels. Oulton Park hosts driving experiences and opportunities to take your own vehicle on track too.

CADWELL PARK

LINCOLNSHIRE

 /CadwellPark

 @CadwellPark

 @CadwellPark_MSU

Cadwell Park is known as the 'mini-Nürburgring', a fabled ribbon of truly astonishing twists and undulations, set in the stunning Lincolnshire Wolds.

The circuit is a particular favourite with motorcyclists, with a rich legacy

of great names appearing on track including Giacomo Agostini and Barry Sheene. Nowadays, novice riders cut their teeth on the famous tarmac, whilst every August the Bennetts British Superbike Championship draws a huge crowd to the iconic Mountain section, where Lincolnshire's finest still

battle the best the world can offer.

The venue also hosts historic car events, whilst a packed trackday calendar offers both car and bike enthusiasts the opportunity to take on the challenge for themselves.

MSV DRIVING GIFTS

PUT YOURSELF IN THE DRIVING SEAT FROM JUST £99

For the thrill of a lifetime, MSV offers a range of fantastic driving experiences at its Brands Hatch, Donington Park, Oulton Park, Snetterton and Bedford Autodrome venues.

The ultimate package is F4 Master at Brands Hatch, the most authentic single-seater driving experience available on any UK race circuit, which allows guests to pilot the very same car which propelled British F1 driver George Russell into car racing.

F4 Master is available for £229 and features expert tuition behind the wheel of a powerful BMW M4 Coupé, before moving on to the state-of-the-art single-seater, with more power, higher revs and a seamless paddleshift gearbox.

The similar RaceMaster single-seater experience continues to operate at Oulton Park. For those who favour tin-top driving, M4 Master offers twice the

driving time in the BMW at either venue, or Bedford Autodrome.

Alternatively you can learn to slide a works-prepared rally car through a purpose-built rally stage with our RallyMaster experience in our spectacular rear-wheel-drive Toyota GT86, or traverse waist-high water passes, steep climbs, and sheer drops in a legendary Land Rover Defender with MudMaster.

You can buckle up from as little as £99 with our Ignition voucher, which gives a taster version of the popular BMW M4 Master, RallyMaster and MudMaster experiences. High octane passenger rides are also available from £29.

Children aged 11-17 and over 4'8" tall can also get behind the wheel in the latest MINI One with our renowned YoungDrive! introductory lesson. For more information and to book visit www.youngdrive.com

CONFERRING AND CORPORATE DRIVING ACTIVITIES

PUT YOUR BUSINESS ON POLE POSITION

Situated at two of the country's most picturesque racing circuits, Brands Hatch and Oulton Park's conferencing facilities are inspiring locations for any kind of business occasion.

The purpose-built MotorSport Vision Centre at Brands Hatch and Fogarty Moss Centre at Oulton Park are capable of hosting everything from smaller gatherings of 15 people to conferences for as many as 300 delegates over two floors. Both venues feature spectacular circuit views and include first-rate facilities and catering services.

Conferences can be combined with a selection of high-adrenaline driving activities to fully immerse clients and staff in the world of motorsport.

Options include taking to the race circuit in state-of-the-art BMW M4 and Grand Prix-style single-seaters. Alternatively, visitors can slide round a purpose-built rally course in the sensational Toyota GT86 rally car.

Annual suite hire and VIP race event hospitality are both also available, allowing you to treat your most important business connections to a day out at some of the country's biggest events from the best seat in the house.

Bespoke conferencing packages are available at Donington Park too. Contact a member of our corporate hospitality team on **01474 875224** or email corpsales@msv.com to discuss your individual requirements.

CHRISTMAS PARTIES AT BRANDS HATCH

BRING THE GLAMOUR OF MOTORSPORT
TO YOUR FESTIVE CELEBRATION

Experience the glamour and excitement of the world of motorsport with a Brands Hatch 'Fire and Ice' Christmas party in 2019.

Celebrate the festive season in style at the world-famous race circuit, home to legendary Formula One Grands Prix, epic Superbike contests and more!

Hosted in a bespoke function suite at the MotorSport Vision Centre, situated right alongside the circuit, our 'Fire and Ice' celebrations combine thrilling entertainment with an evening of sumptuous food and superb hospitality. Party late into the night to the sound of our festive disco - and expect a few thrilling surprises along the way.

Brands Hatch Christmas parties offer the ultimate in luxury and attention to detail, and the red carpet treatment begins the moment you arrive. You're greeted with drinks and canapés, followed by a lavish three-course

meal accompanied by themed entertainment.

After dinner you can let your hair down on the dance floor, or escape to the peace and warmth of our rooftop snug. The lavish 'Fire and Ice' theme is reflected in the evening's décor, food, drink and entertainment to create a truly memorable experience.

For exclusive end-of-year company celebrations, the MSV Centre can be hired for up to 400 guests, or smaller groups can join a party night with others on selected dates.

And there's no need to worry about transport - unlimited overnight parking is available for guests who want to leave their car and collect it the following day.

Please contact a member of our corporate hospitality team on **01474 875224** or email **corpsales@msv.com** to discuss your individual requirements.

FAQs

Circuit FAQs

Is disabled parking and viewing available?

Blue Badge holders may park free of charge inside designated areas within the venue. Some grandstands have free-of-charge viewing access to wheelchair users plus one carer (reserved in advance). Please contact the circuit in advance of your visit for more information.

Please note: you will require a valid admission ticket or valid pass to gain access to the venue at any event.

Carers of our disabled guests may be entitled to free admission at MSV's race events. Please contact our call centre on 0343 453 9000 or carer@msv.com to make arrangements, no later than one week before the event you wish to attend.

Are animals permitted anywhere on site?

No animals are permitted anywhere on site. Guide/assistance dogs are the only exception.

Do you have a cash machine?

At Brands Hatch - yes, outside of the Megastore by Paddock Hill Grandstand. At Oulton Park - yes, in Chequers Restaurant. At Donington Park - yes, in Garage 39 Restaurant. All other circuits will have temporary cash machines or a cashback facility on major event weekends.

Do you have baby changing facilities?

Yes, all our circuits include a baby-changing facility in the main on-site restaurant.

Do you have activities for children?

Yes, there is a permanent adventure playground at each venue, except Donington Park. And on major event

weekends, most circuits will have extra rides and activities for a variety of ages.

What is the policy for drones or UAVs?

Drones / UAVs are not permitted for use at our circuits on any event day.

Ticket FAQs

Can I purchase tickets on the day of the event?

Yes, you can buy tickets on the gate at all our race meetings, by cash or card payment.

What happens if my tickets don't arrive in time?

Tickets are sent by Royal Mail Recorded or Special Delivery, meaning a signature is required. In the rare instance that your tickets have not arrived in time you will need to purchase them at the gate price and obtain a refund after the event by returning the gate ticket stubs and your original tickets to the ticket office

HELPFUL HINTS AND TIPS

address: Ticket Office, MotorSport Vision Centre, Brands Hatch Circuit, Fawkham, Longfield, Kent DA3 8NG.

What is MSV's ticket refund policy?

The ticketholder shall only be entitled to a refund or exchange (at MSV's election) if an event is cancelled in its entirety prior to the commencement of the event for reason(s) that are within the reasonable control of MSV.

Event tickets may not be sold, resold, donated, transferred or in any way disposed of without prior written permission from MSV.

What age do I have to be to qualify for a Senior Citizen discount?

At selected events, we offer a discount to our guests who are aged 65 and over.

What age are children classed as a child for ticketing purposes?

Child tickets are for children under 13.

How much does parking cost?

Parking is free of charge for all public car parks. If you wish to park on Southbank (the large grassed area opposite Cooper Straight at Brands Hatch), or Starkeys at Donington Park, there will be an additional charge on major event days.

For questions not covered here on our FAQs page
