## 25-26 JULY

#FERRARICHALLENGE

As of 26/06/2020

## COMPETITOR ADVICE

As the motorsport world restarts this summer, MSVR is putting in place a number of changes to ensure we can resume our race events safely and enjoyably, while complying with Motorsport UK and government guidelines.

Please read this advice carefully as most administrative aspects of a race meeting have changed in some way.

### SIGNING ON

- All signing on for the event will now take place online, ahead of the event
- The link will be available under the event information on the calendar page of the MSVR website
- The signing-on process includes your scrutineering declaration and part of your briefing (see below)

### SCRUTINEERING

- As part of the signing-on process you will submit your car and safety equipment information, self declaring your compliance with Motorsport UK regulations
- This information will be passed to the Chief Scrutineer ahead of the weekend, and the scrutineers of the meeting will have the power to perform spot checks throughout the event, to ensure compliance with all relevant regulations
- Please remember that the standard Motorsport UK penalties continue to apply for non-compliance

### COMPETITOR BRIEFINGS

- As part of the signing-on process you will go through a preliminary safety briefing. You **MUST** go through this from start to finish to complete the signing-on process
- You may receive additional briefing notes via your coordinator or the Clerk of the Course. Please ensure you are also familiar with these before your first session on circuit

### RACE ADMINISTRATION

- No printed results or bulletins will be available to collect. The event page on the MSVR website will become a "virtual noticeboard" and should become your first port of call for event documentation
- Transponder hire will still be available but should be booked in advance with TSL – [www.tsl-timing.com](http://www.tsl-timing.com) or 01827 285666

### JUDICIAL GUIDANCE

- As a result of distancing measures, the usual judicial procedures are changing
- Detailed information is available from the Motorsport UK website – please ensure you are familiar with the new guidelines at [www.motorsportuk.org/restart](http://www.motorsportuk.org/restart)

### VENUE RESTRICTIONS

- Pass numbers will initially be limited to assist with social distancing requirements and are for competitors and their essential helpers only
- The paddock(s) will be closed to non-essential personnel at all MSVR events in July
- Garage doors should remain open front and back when the garage is occupied
- Unfortunately there will be no podium ceremonies at MSVR events in July. This will be regularly reviewed
- Other restrictions may apply at individual venues and must be complied with

### ADDITIONAL CONSIDERATIONS FOR TEAMS

- Teams must consider bringing the minimum number of people required to an event
- Teams are recommended to bring their own first aid kit, etc. to minimise the need to use the circuit medical resources
- Teams should bring adequate PPE for all personnel and retain a record of those attending the event

### OTHER CONSIDERATIONS

- DO NOT visit the medical centre if you suspect you have COVID-19 symptoms. If you begin to feel unwell during the event, notify the organisers and leave the venue in line with government guidance.
- Restaurants/toilets/shower facilities will vary by venue – for the latest updates please check the circuit website
- Overnight stays are permitted from Thursday (for Friday testing only) and Friday (for the race weekend) – again please check the circuit website for details

**IMPORTANT:** You **must not** attend any race meeting if you have any symptoms of Covid-19, or you are required to self-isolate under Government guidelines

*These measures will remain in place until further notice.*
