WELCOME TO ROUND 5

Hi & Welcome to Round 5 of the British Supermoto & Superlite Championship here at the amazing Cadwell Park Circuit.

Cadwell is normally our final round of the season & historically all the championships go down to the wire but in this unusual year we find ourselves with two rounds still to go, (Rowrah in Cumbria & Three Sisters near Wigan), however it is the first time this year we have been able to welcome spectators to one of our events. MSV have done a great job to enable the social distancing to be put in place which effectively makes the paddock area a separate bubble area, this means that unlike previous years we can't welcome you into the heart of the meeting and we know this is something the competitors enjoy. However this is a small price to pay to get our fantastic sport out at this iconic venue.

We have a great commentary team lined up for both days and hopefully we will be able to take questions via the links they will mention so keep your ears open and maybe we can give you a shout out this weekend.

One thing we can promise you is some hot action on the track and whether on 2 wheels or 4 we are sure you will enjoy the experience of seeing our stars do their thing in a unnatural environment for Supermoto.

Please remember

HANDS - FACE - SPACE
