Any such items will be confiscated by the campsite security team and any campers in possession of these items may be evicted from the campsite without refund of ticket fees

Safety

- Fires are not permitted in the campsite (no wood burning)
- Barbecues are permitted to cook food, but must be raised off the ground. Please dispose of coals and single-use barbecues (once cool) in the metal bins provided
- Never leave a hot stove or barbecue unattended
- Keep roadways and fire lanes CLEAR at all times
- Store fuel and generators away from ignition sources
- Fire extinguishers are located at various FIRE POINTS around the campsite. Use only in an emergency and RAISE the alarm immediately
- Campsite speed limit is 10mph. Only drive if strictly necessary and watch for CHILDREN
- SECURE tents and gazebos carefully – expect high winds!
- No laser pens

Carbon Monoxide (CO) Gas Can Kill!

- It's an odourless gas and does not smell
- NEVER use a portable barceque or gas burner INSIDE a tent, awning or enclosed space (for cooking, or heating when cold)
- A COOLING barbecue can also give off poisonous gas!
- Never run a generator inside a tent, awning or confined space
- Consider purchasing a Carbon Monoxide alarm and use it inside your caravan or motorhome if running an installed gas appliance – but don't rely on it!

Safe Gas Cylinder Storage and Use

- Always CHECK your cylinder for damage before using
- Maintain good ventilation when using portable gas (remember to use it outside only)
- Always store in an UPRIGHT position
- If a cylinder falls over, check it, stand it up and leave it to settle before connecting it
- NEVER smoke near any gas cylinders and keep all ignition sources away
- Always use manufacturer hoses, connectors and follow their guidance
- If you use a gas appliance, SERVICE IT REGULARLY by an authorised technician from the Gas Safe Register (minimum annually)

NEVER INSIDE

CHECK BEFORE USE
