Brabham Stewart Suites at Brands Hatch

Situated alongside the start/finish straight, our suites are designed to have a fantastic view of the entire Brands Hatch Indy circuit, in addition to overlooking the pits and paddock complex. Your elevated position, coupled with the natural amphitheatre of Brands Hatch, offers one of the best views in world motorsport.

You and your guests can watch the explosive getaways at the start and witness the fight for the lead all the way around the circuit. The four storey structure also offers a bird's eye view of the pit lane action and Pre-race build-up.

Suites can accommodate between 20 and 50 guests and come equipped with commentary and live timing screens. The Brabham Stewart suites are accessible via a series of steps. Unfortunately there is no lift availability therefore access for wheelchair users or those with difficulty climbing steps may not be possible.
