OULTON PARK STAGE
THURSDAY 3RD OCTOBER 2019

OultonPark 

The FIA World Rally Championship (WRC) returns to Oulton Park for the first time since 1993 this October when the Cheshire circuit hosts the opening Thursday evening (3 October) special stage of this year's Wales Rally GB!

For many rally fans, this event will be their first opportunity in 2019 to experience the latest generation of super-fast World Rally Cars and to witness the extreme skills of star drivers such as multiple world champion Sébastien Ogier, Thierry Neuville, Ott Tänak and local heroes Kris Meeke and Elfyn Evans. Not to mention 2003 world champion Petter Solberg, who will appear as part of his 'farewell tour'.

The Dayinsure Oulton Park Stage layout will incorporate the picturesque circuit and the venue's own rally course. A full afternoon and evening of entertainment is planned, with appearances from WRC legends, a music stage, the Dayinsure Fun Zone, stunt shows and an autograph session which will be open to all spectators.

The event will also feature a special showcase of Rally GB rally cars in association with Autocar, with iconic machines dating as far back as 1932 including significant Ford Escorts, Group B rally cars and examples rallied by British heroes Colin McRae and Richard Burns.

**EXCLUSIVE Q AND AS WITH RALLY LEGENDS
MARCUS GRONHOLM AND NICKY GRIST**

MARCUS GRONHOLM

'Magic Marcus' Gronholm is one of the FIA World Rally Championship's all-time greats, a master of the stages who conquered the world with a pair of titles for Peugeot. Despite not joining the world-stage until his early 30s, the flying Finn racked up 30 victories in the WRC and a further 61 podiums.

NICKY GRIST

Nicky Grist is one of rallying's most renowned voices. As co-driver to world champions Juha Kankkunen and Colin McRae, the highly respected Welshman won no fewer than 21 WRC rounds between 1993 and 2002. More recently he has been sharing his unique insights and experiences with TV audiences right around the globe.
